

ENVIRONMENTAL POLICY STATEMENT

Marchington Stone Ltd is an independent, family-owned quarrying company and specialist supplier of aggregates, roadstone, sand, soil, gravel and block stone to the construction and civil engineering industry throughout Great Britain.

Marchington Stone recognises the need to positively manage the impact of its activities on the environment. We are committed to compliance with applicable legislative requirements and codes of practice and to continually improve our environmental management system in line with **ISO 14001:2015** to enhance our performance and move us toward becoming a net zero business.

Our Managing Directors have overall responsibility for environmental management within the company. They develop our strategic environmental objectives & key performance targets and ensure communication within the company.

To reduce the environmental impact of our business we will:

- Identify and implement relevant environmental legislation
- Take all necessary and practicable steps to prevent pollution
- Make our offices, workplace transport and plant operations as energy and fuel efficient as possible
- Educate our employees to understand how their actions impact our environmental performance
- Adopt a 'prevent, reduce, re-use, recycle' approach to our waste, and ensure the correct disposal of all remaining materials
- Demonstrate the efficient use of natural resources and seek out opportunities for the use of renewable energy
- Take a whole life cost approach to purchases whilst also considering environmental, social & ethical impacts
- Identify opportunities to further improve biodiversity at our sites
- Implement technology solutions where both efficiency and environmental benefits can be achieved
- Work with our customers, suppliers and contractors in order to positively influence their environmental performance
- Monitor our progress against objectives and targets in real time through audits and management review to facilitate continuous improvement

Our Environmental Policy Statement is communicated to all employees and formally reviewed annually.
