

MARCHINGTONSTONE

HEALTH & SAFETY POLICY STATEMENT

Marchington Stone Ltd is an independent, family-owned quarrying company and specialist supplier of aggregates, roadstone, sand, soil, gravel and block stone to the construction and civil engineering industry throughout Great Britain.

The following is the Company Health & Safety Policy Statement issued in accordance with the requirements of the **Health & Safety at Work Act 1974** and **ISO 45001:2018**.

Marchington Stone recognises the importance of maintaining high standards of health, safety, welfare and wellbeing for all our employees at work and we adopt a proactive approach to this whenever reasonable and practical. We are committed to achieving compliance with applicable legislative requirements and codes of practice and to continually improve our management system in line with ISO 45001:2018.

Our Managing Directors have overall responsibility for the management of health, safety, welfare and wellbeing within the company. They develop our strategic objectives & key performance targets and ensure communication within the company.

To meet our health, safety, welfare and wellbeing commitments we will:

- Maintain a documented Health and Safety Management System which satisfies all legal requirements
- Ensure suitable welfare arrangements and safe working environments, with suitable risk assessments, controls and procedures or management in place
- Provide appropriate information, instruction, training and supervision to employees and other persons within our control
- Encourage open communication, consultation and participation between management and employees to reduce the likelihood of any incidents
- Pre-qualify and manage contractors to assess their health & safety, risk assessments and insurance arrangements, to ensure safe practices on site
- Identify & monitor progress of health, safety, welfare & wellbeing objectives & targets through audits and management review to facilitate continuous improvement
- Conduct regular Health & Safety Committee reviews to monitor effectiveness of working practices and identify safety improvements
- Operate our business in a way that does not expose members of the public and any non-employees to health and safety risks
- Continually seek to improve our Health and Safety Management System and maintain-certification to **BS ISO 45001:2018**.

Our Health & Safety Policy Statement is communicated to all employees and formally reviewed annually.
